FORTUNE 1000
COMPANY HQ'S

- The Port of Savannah is home to the largest single container terminal in North America and is the fastest growing container port in the United States
- The terminal boasts nearly 10,000 feet of berthing space with 30 container cranes spanning over 1,200 acres
- Due to the increased use of the Panama Canal and the ever increasing population growth in the Southeast United States, the Port of Savannah is the fastest growing port
- Two Class I on-terminal rail facilities provide immediate access to inland markets
- The Port's immediate access to I-16 and I-95 allows key cities and manufacturing points in the Southeast to be reached within a one- to two-day drive

- Hartsfield-Jackson Atlanta International Airport is the busiest passenger airport in the world with more than 100 million passengers annually
- The airport generates more than \$70 billion for the state of Georgia, including \$38 billion for the Atlanta area
- ATL has three cargo complexes, with air cargo warehouse space totaling in 13 million square feet
- ATL moves more than 650,000 metric tons of cargo annually
- ATL is the "Gateway to the World" with non-stop service to more than 150 domestic and 70 international destinations
- Named the world's most efficient airport in 2020 for the 17th straight year
