North Gatwick Gateway

INDUSTRIAL & WAREHOUSE DEVELOPMENT

North Gatwick Gateway is an exciting and unique new 5 unit development with accommodation ranging from 20,000 – 170,000 sq.ft. It will offer the largest new units in the Gatwick region and, subject to planning, will be ready for occupation by Q2 2019.

North Gatwick Gateway will also offer cutting edge, energy saving technologies to achieve a minimum of 10% improvement in Carbon emissions over current Building Regulations requirements through the use of on-site Low & Zero Carbon technologies.

Detailed planning application submitted for industrial, warehousing and logistic distribution use.

Prime Location

NORTH GATWICK GATEWAY

NGG is located in the heart of the Gatwick Diamond just north / south of the London Gatwick International Airport.

Located fronting the A23 Bonehurst Road, the A23 is the principle link road between Redhill to the North and Crawley to the South. Gatwick Airport is approximately 4 miles away. The units will have excellent transport links to the Southern M25 and A23/M23. Access to the M23 (J9) and the national motorway network via the M25 (J7) provide great access to the South East.
